WORLDWIDE RESIDENCY & CITIZENSHIP

Citizenship by Investment Programs provide the opportunity to legally acquire a new nationality and an alternate or second passport in a simple and efficient manner. The process is time and location friendly so as to not disrupt the client's routine. Several programs allow dual citizenship so that applicants can maintain their original citizenship while they take advantage of the benefits of the second.

APPLICATION PROCESS

These steps briefly show the process for applying to the British Columbia PNP Entrepreneur Stream.

STEP 1 Registration	Complete an online registration including a short business concept and pay non-refundable fee. Candidates are scored on the information they provide and are placed in a pool for six months or 180 days, or until they receive an invitation.
STEP 2 Invitation	British Columbia carries out regular draws, on average one each month for the Entrepreneur stream. Candidates who are invited to apply have 120 days to submit a complete application. The score takes into account English language ability, age and Canadian work experience. Candidates can improve their score while in the pool, including by submitting a new business concept.
STEP 3 Net Worth Review	Candidates receiving an invitation to apply will have their net worth reviewed by a qualified supplier, who is a professional chartered accountant. The review includes the amount and source of funds and supporting documents. The candidate is responsible for all costs.
STEP 4 Application Submission & Interview	Candidates have four months, or 120 days, to submit an application once an invitation is received. Candidates may be required to attend an interview physically at the province.
STEP 5 Nomination Decision	On successful application process and nomination decision, the candidate needs to sign the Business Performance Agreement with the province.
STEP 6 Landing & Business Establishment	Candidates get a letter of support from B.C. to apply to Immigration, Refugees and Citizenship Canada for a two-year work permit. Candidates and their dependents must arrive in B.C. with a valid work permit within 12 months, or 365 days, of receiving a letter of confirmation. There are 20 months or 610 days given to establish the business post landing into the province.

Note: The timeline estimate is indicative and shows the starting point of each stage. The actual timeline may vary depending on the complexity of the file and quality of client documents.

APPLICATION PROCESS

These steps briefly show the process for applying to the MPNP Entrepreneur Pathway:

STEP 1

Self-assessment

- Determine that you meet the minimum criteria of the Entrepreneur Pathway: business experience, official language proficiency, education, age, and net worth
- You must meet minimum criteria of the MPNP to continue to the next step

STEP 2

Explore and Research Business Concept

- The exploratory and research step of the process can start immediately.
- While internet-based research may be a useful way to start, an in-person exploratory visit is essential for you to do sufficient business research to support your plan and application.
- Based on your research and the outcome of your self-assessment, you may consider submitting a Business Concept to the MPNP.

STEP 3

Submit your Expression of Interest

- Once you have completed your research of the Manitoba market, you can submit the following:
 - Your Business Concept Form
 - Your Self-Assessment Form, and
 - Code of Conduct for Immigration Representatives, if applicable
- If you do not meet the minimum stream criteria requirements, the MPNP will inform you that your business concept will not be reviewed. Please note that the business concept is NOT an application to the MPNP.
- The MPNP will screen your Business Concept and determine if you can continue to the next step:
 - If YES, the MPNP will issue a Business Concept Code (BCC) with further instructions to continue to the next step.
 - If NO, the MPNP will inform you of the reason(s) why you will not advance to the next step.

STEP 4

Submit your Full Application

- If you are selected to continue to the next step, the MPNP will send you an official Letter of Advice to Apply (LAA).
- The first part of completing your MPNP application requires you to choose one of two designated Third Party service providers, and submit to one of those agencies the financial documents specified by the MPNP in order to have your net worth and source of funds documentation verified.
- You have 120 days from the time you receive a LAA from the MPNP to submit a complete application package to the MPNP, including a non-refundable application processing fee.

STEP 5

Application Assessment

- The MPNP will conduct a thorough assessment of your complete application.
- The MPNP will invite you to an interview to discuss your Business Plan and other aspects of your application, as required.
- If the assessment identifies concerns with your application, the MPNP will send you a Procedural Fairness Letter (PFL), which you are required to respond to by the specified deadline. If your response does not resolve all the concerns indicated in the PFL your application will be refused by the MPNP.
- If your application meets all of the requirements of the MPNP, you will receive a notice with an approval in principal.
- As part of the approval process, you must sign a Business Performance Agreement (BPA), which will serve as a contractual agreement between you and the MPNP.
- After you sign the BPA, the MPNP will provide you with a Letter of Support to be included in your application for a Temporary Work Permit to Immigration, Refugees and Citizenship Canada (IRCC).
- You are required to report to the MPNP Office at 700-213 Notre Dame Avenue, Winnipeg, Manitoba within 30 days of your arrival in Canada with a Temporary Work Permit or the MPNP reserves the right to

APPLICATION PROCESS

STEP 6

Operate your Business
and Meet your BPA
Conditions

- After you have reported to the MPNP as required, MPNP immigration officers are available to answer any questions that you may have about your BPA and the MPNP nomination requirements.
- As specified within your BPA, you are required to provide regular progress reports to the MPNP.
- In addition, MPNP immigration officers may monitor your business establishment activities at any time to verify that the terms and conditions of the BPA, including specific timelines and reporting conditions, are being met.

Post-approval Business
Establishment Support

- At any time after your arrival in Manitoba, you may schedule appointments with the Business Consulting Unit (BCU) of the Immigration and Economic Opportunities Division.
- Business Consulting Officers of the BCU:
 - Can assist you with information, feedback and guidance to help you establish your business successfully in Manitoba.
 - Can refer you to a range of other business and settlement supports depending on your specific needs.
 - Cannot assist you with the assessment or approval processes associated with the MPNP or your BPA.

STEP 7

Receive your Nomination
by the MPNP

- When the MPNP has verified that you have successfully completed the terms and conditions of the BPA, the MPNP will issue you a Certificate of Nomination, which will also be shared with IRCC.
- The MPNP will also provide you with instructions to submit an application for a Permanent Resident Visa to IRCC.
- Cancellation of the BPA and Refusal by the MPNP
If any terms and conditions of the BPA are not fulfilled within the contracted timelines, the MPNP will cancel your BPA and refuse your application for nomination.

Note: The timeline estimate is indicative and shows the starting point of each stage.
The actual timeline may vary depending on the complexity of the file and quality of client documents.

APPLICATION PROCESS

These steps briefly show the process for applying to the SINP Entrepreneur Stream:

STEP 1 Self-assessment	<ul style="list-style-type: none"> • Determine that you meet the minimum criteria of the Entrepreneur Pathway: business experience, official language proficiency, education, age, and net worth. • You must meet minimum criteria of the SINP to continue to the next step.
STEP 2 Explore and Research Business Concept	<ul style="list-style-type: none"> • The exploratory and research step of the process can start immediately. • While internet-based research may be a useful way to start, an in-person exploratory visit is essential for you to do sufficient business research to support your plan and application. • Based on your research and the outcome of your self-assessment, you may consider submitting a Business Concept to the SINP.
STEP 3 Submit your Expression of Interest (EOI)	<ul style="list-style-type: none"> • Once you have completed your research of the Saskatchewan market, you can submit the EOI. • Those who meet the criteria will be placed into a pool of candidates.
STEP 4 Invitation to Submit an Application (ISA)	<ul style="list-style-type: none"> • Candidates selected from the pool will receive an Invitation to Submit an Application (ISA) letter with your file number. • You'll have 20 calendar days from the date of the ISA letter in which to select and identify a recognized third party financial review service provider on your online application. • You'll have 90 calendar days from the date of the ISA letter in which to submit your complete electronic application, including all required supporting documents and submit your Business Establishment Plan. • You'll have 180 calendar days from the date of the ISA letter in which to submit your Third Party Verification Report.
STEP 5 Application Assessment and Interview	<ul style="list-style-type: none"> • If you appear to meet the Entrepreneur Eligibility Criteria you'll be contacted to participate in a final interview. This could be in-person or through a web-based video conferencing service. • The purpose of this mandatory interview is to gain a better understanding of your business plan.
STEP 6 Business Performance Agreement (BPA)	<ul style="list-style-type: none"> • Upon completion of your final interview, you'll be sent a Business Performance Agreement (BPA) for your review and signature.
STEP 7 Temporary Work Permit	<ul style="list-style-type: none"> • Once your signed and dated BPA is received, SINP will issue an Entrepreneur Approval Letter along with a Temporary Work Permit Support Letter. The letter is issued to facilitate your application to IRCC for a Temporary Work Permit (TWP). • Apply to IRCC for TWP within three months of the date on the SINP Approval letter.

STEP 8

Arriving in Saskatchewan
&
Business Establishment
